As a young clinician in the 1920s, Wihelm Reich expanded psychoanalytic resistance into the more inclusive technique of character analysis, in which the sum total of typical character attitudes developed by an individual as a blocking against emotional excitations became the object of treatment.

### Character Analysis by Wilhelm Reich - Goodreads

In this enlarged edition, Reich illustrates how his study of character led to a comprehension of the biological basis of neuroses and finally to the discovery of the cosmic orgone energy. Thus, character analysis is taken out of the realm of psychology and put on the firm basis of natural science, in the form of orgone biophysics.

### Character Analysis - Wilhelm Reich

The concepts Wilhelm Reich develops and explains in regard to character are put forward honestly and with the highest integrity. His confidence is based on years of training and a keen analytical ability. I found this book to be complex in nature.

### Character Analysis - Kindle edition by Reich, Wilhelm ...

In Wilhelm Reich In Charakteranalyse (1933; Character Analysis), Reich called attention to the use of character structure as a protective armour to keep the individual from discovering his own underlying neuroses. He believed that repressed feelings were also manifested as muscular tension and that this mental and physical armour could be...
