CISSP For Dummies, 6th Edition - PDF eBook Free Download

The International Information System Security Certification Consortium (ISC)2 has several other certifications, including some that you may aspire to earn after (or instead of) receiving your Certified Information Systems Security Professional (CISSP) credential. These certifications are CCFP® (Certified Cyber Forensics Professional): This is a certification for forensics and security ...

(ISC)2 Certifications Besides CISSP - dummies

This book provides a shorter overview of the topic areas so I can see the high level view. It is a great jumping off point to other longer, more technical books on the subject. It appears to be a good overview for the CISSP exam also, although I am a number of years off from qualifying for that exam.
