Darkmage The Rhenwars Saga Book

Darkmage by M.L. Spencer is the second book in The Rhenwars Saga. Set 1000 years after Darkstorm, the Well of Tears is opened, yet again, and Darien Lauchlin is determined to close the Well of Tears, and keep it closed. I enjoy Spencer's writing and world building. The characters are tormented, and emotions run high in this dark fantasy story.

The second instalment of the Rhenwars Saga, Darkmage, is an exciting new adventure in Aerysius with characters old and new that captivate the readers attention from the very beginning. Definitely more adventurous than the first novel, Darkmage takes us into the future of Aerysius, where the Prime Warden continues to hold the power of rule, and Sentinels are the main source of protection for its people.

M.L. Spencer's Darkmage was a real find! It inspired me to read all of her other Rhenwars novels and they were all wonderful, capturing imagination and giving it a very thrilling ride. Her story lines were never straightforward, always inventive and unexpected. Memorable and evolving characters wove subplots together seamlessly.

This dark and twisted story begins a thousand years after the first book. I felt like this book actually seemed more like a book one in a series with the first one more like a prequel. The story itself is quite amazing. Two brothers, Darien and Aiden. Darien is called back from the battle front and is deemed ready to receive his mage powers.

Darklands (book III) is no exception. In this continuation of the Rhenwars saga, we're reunited with some of the characters we've grown to love (or loathe) within DarkStorm and DarkMage. M.L. DARKFALL is the grand finale of the Rhenwars Saga and it's nice to have a series which ends properly even if the ending is bittersweet. M.L. Spencer is one of the new voices in dark fantasy (which I use when talking non-pejoratively about grimdark fiction).

Books similar to Darkmage (The Rhenwars Saga, #1)

Darkmage is a book full of fantastic magical military action and lots of really bloody battle scenes. M.L Spencer has a gift for writing action scenes and moral ambiguity. I think fans of grimdark and more standard fantasy will enjoy this book. I also liked it enough to pick up the third book as soon as I finished this.

Darkmage (The Rhenwars Saga #1) by M.L. Spencer Book Review

Darkstorm is an interesting novel because I can't help but think of a high school class of Forgotten Realms, Dragonlance, and other short fantasy novel series with Rhenwars sitting in the back as the Goth chick.
