Faith Healer - Wikipedia

Faith healing is the practice of prayer and gestures (such as laying on of hands) that are believed by some to elicit divine intervention in spiritual and physical healing, especially the Christian practice. Believers assert that the healing of disease and disability can be brought about by religious faith through

Definition of Faith Healing by Merriam-Webster

A few faith healers, such as Dowie and Rua Kenana Hepetipa, even claim to be Jesus Christ or some other divine being. While faith healers differ in their specific methods, many of their services revolve around building energy in the crowd, which the healer may refer to as the Holy Spirit, faith energy or
