Science Assessments | TEKS | Mentoring Minds

Inspiring teachers can be the thing of movies, like "Stand and Deliver" — the story of Jaime Escalante, a high school teacher who successfully inspired his dropout prone students to learn calculus. But great teachers are not born. One can learn to be an inspiring teacher. To realize that goal, teachers need to aspire to inspire.

Be an Inspiring Teacher - Dominican CA Online

Many teachers today teach reading in small groups, a process called "guided reading." A small group of children who are similar in their development at a particular point in time share a brief group-reading lesson each day. As children learn more in their individual ways, the membership of these flexible groups changes.
