5.0 out of 5 stars Quality art book about men and the sea. Reviewed in the United States on September 11, 2017. Verified Purchase. A real work of art. A meditation of working at sea in winter. Not a classic sea book w text and informative captions, just photos of the violent sea and fishermen working, and journal entries. I really liked it, but ...

"Men at sea" is a wide term that could mean anyone from the captain to the boy who washes the deck. Whatever their designation, sea-men have one thing in common - they live away from their parents, wives and children for a major slice of their working lives. The financial compensation they get for this 'wilful sacrifice' is handsome.
