Metallica - Black Album (Full Album)

Since Metallica came into existence one of the weird facts about Metallica is that they have not had a permanent bassist. The first bassist they had was Ron McGovney. He came on when the group first formed back in the early 1980s, but left due to disagreements with drummer Lars Ulrich and Dave Mustaine, Metallica's original guitarist.

The History Of Metallica's Bassists | Sessionville

Metallica (commonly known as The Black Album) is the fifth studio album by American heavy metal band Metallica, released on August 12, 1991, through Elektra Records. It was recorded in an eight-month span at One on One Recording Studios in Los Angeles. The recording of the album was troubled, however, and, during production, the band frequently came into conflict with their new producer Bob Rock.
