Millennials

Millennials, also known as Generation Y (or simply Gen Y), are the demographic cohort following Generation X and preceding Generation Z. Researchers and popular media use the early 1980s as starting birth years and the mid-1990s to early 2000s as ending birth years, with 1981 to 1996 a widely accepted defining range for the generation.

Among Millennials, around four-in-ten (39%) of those ages 25 to 37 have a bachelor's degree or higher, compared with just 15% of the Silent Generation, roughly a quarter of Baby Boomers and about three-in-ten Gen Xers (29%) when they were the same age. Gains in educational attainment have been especially steep for young women.

How Millennials compare with prior generations | Pew ...

Millennial is an identity given to a broadly and vaguely defined group of people. There are two wings of "Millennial" that are often at odds with each other: Generation Y (people born between 1981-1991) and Generation Z (born between 1991-2001). People of Generation Y often have characteristics similar to Generation X, which is why Generation Z will confuse Generation Y with Generation X and ...
