Parenting your complex child : become a powerful advocate ...

One goal of Parenting Your Complex Child is to be a peace plan aimed at helping you reduce the conflict surrounding you and your child. You will note I said "reduce" the conflict. There will always be hurdles to climb. To me, advocating does not mean drawing battle lines and digging in for a fight to the finish.

When a child or adult has an alpha complex, the alpha instincts become characteristic of the person rather than of the circumstances that should evoke these instincts. This is how we get children who are much more inclined to give orders than to take them, to take the lead rather than to follow, to give direction rather than seek assistance, to take charge rather than to seek out the person in charge.

Does Your Child Have an Alpha Complex? | ParentMap

You're not alone. Most parents have had this experience. It helps you see how deeply you are influenced by your childhood experiences and why it's so important to become aware of how they shape your approach to parenting today. Just as you are your child's first teacher, your parents were yours.
