### **Policy change and learning : an advocacy coalition ...**

Agents combine knowledge about future policy with econometric forecasts of future wages and interest rates.

Dynamics under learning can have large impact effects and a gradual hump-shaped response, and tend to be prominently characterized by oscillations not present under rational expectations. These fluctuations reflect periods of excessive optimism or pessimism, followed by subsequent corrections.

### **Policy change and learning in the RBC model - ScienceDirect**

The conceptual framework focuses on the belief systems of advocacy coalitions

within policy subsystems as the critical vehicle for understanding the role of policy analysis in policy-oriented learning and the effect, in turn, of such learning on changes in governmental programs.

how the policy could apply to the policymakers' jurisdiction. Before a policy is adopted it goes through a process that involves various combinations of elected official, political parties, civil servants, advocacy groups, policy experts or consultan

## **Policy learning - Wikipedia**

Introduction. Understanding the drivers of policy change is a pursuit that has captured the imaginations of researchers and practitioners alike (Walt 1994; Walt and Gilson 1994; Gilson and Raphaely 2008). While theory-driven health policy analysis continues to grow in low- and middle-income countries (LMIC), the complexity of the contexts and issues studied calls for greater integration of ...
