Principles Of Management Mason Carpenter

Principles of Management is a good book that needs to be accompanied by a good class to fill in the blanks like: power, Myers Briggs Tests, and a unified version of SMART goals through-out the book. Make sure that you get "Principles of Management" instead of "Organizational Behavior and Management Principles".

Management principles by Mason Carpenter - Goodreads

This edition of Principles of Management is dedicated to Dr. Mason Carpenter (1961-2011). Mason's love for and commitment to teaching and research are sorely missed. His original vision for this book lives on in this edition as do many of his words and examples.

Principles of Management - Open Textbook

Principles of Management will frame performance using the notion of the triple bottom-line — the idea that economic performance allows individuals and organizations to perform positively in social and environmental ways as well. The triple bottom line is financial, social, and environmental performance.
