Prosperity Without Growth Foundations For

'Tim Jackson's Prosperity without Growth systematises and renders tangible an essential project few believed to be practical: recovering the dream of shared prosperity and human development through decoupling it from the bandwagon of growth. Essential reading for those refusing to succumb to a dystopic future.'

Prosperity without Growth: Foundations for the Economy of ...

The publication of Prosperity without Growth was a landmark in the sustainability debate. Tim Jackson's piercing challenge to conventional economics openly questioned the most highly prized goal of politicians and economists alike: the continued pursuit of exponential economic growth. Its findings provoked controversy, inspired debate and led to a new wave of research building on its arguments and conclusions.
