Quantum Leap is an American television series that was broadcast on NBC from March 26, 1989 to May 5, 1993, for a total of five seasons. The series was created by Donald Bellisario, and starred Scott Bakula as Dr. Samuel "Sam" Beckett (Scott Bakula), a quantum physicist from the near future who becomes lost in time following a time travel experiment, temporarily taking the places of other ...

Quantum Leap Wiki | Fandom

Quantum Leap is an American science-fiction television series created by Donald P. Bellisario, that originally aired on NBC for five seasons, from March 25, 1989, through May 5, 1993. It starred Scott Bakula as Dr. Sam Beckett, a physicist who leaps through spacetime during an experiment in time travel, by temporarily taking the place of other people to correct historical mistakes.

Quantum Leap - Wikipedia

Created by Donald P. Bellisario. With Scott Bakula, Dean Stockwell, Deborah Pratt, Dennis Wolfberg. During a government experiment into time travel, a scientist finds himself trapped in the past, "leaping" into the bodies of different people on a regular basis and sorting out their problems whilst trying to get back home to his own time.
