Marriages and Families, 7th Edition - Pearson

Overview. Taking an historical, cross-cultural, and global approach, this book focuses on the link between social structure and the everyday lives of people's diverse experiences of marriages, families, and intimate relationships. It shows how contemporary families go well beyond the traditional, heterosexual, two-parent, white, middle class family and heterosexual legally-sanctioned marriage; challenges the assumption that one culture's way of doing things is the "natural" or "right" ...
