Review of HNC Computing. I recently posted information about the planned review of a number of Higher National awards in Computing. I'm pleased to let you know that we're commencing this large development by reviewing HNC Computing. We plan to update five HN qualifications in total but it makes sense to commence with the HNC because this forms the first year of the HNDs.

The new HNC Computing will be one of the first "HN Next Gen" qualifications (along with one from engineering and one from broadcasting). New HN awards will be different from the existing ones. There's going to be a common core, across all HN qualifications, some sector specific units and some vocational (industry-based) units.
