Celtic mythology does not propose a single version or description of the creation as a whole, as other religions and mythologies do, but a few Celtic myths mention that heaven and earth was created by giants, considered by this peoples group to be the ancient original gods. According to another Celtic myth, the creation took place by the primordial, first god who, by means of a melody played by his breath, brought creation into existence.

Celtic Warfare. Celtic armies first came to the attention of historians when the Gauls, led by their king Bran (), sacked Rome in 390 BCE, and again in 279 BCE when they looted Delphi as they passed through Greece on their way to Asia.The Celts attacked the Romans again in 225 BCE and were frequent mercenary allies of Carthage during the Punic Wars.The Celts thus gained a reputation with Latin ...

Celts - Ancient History Encyclopedia

According to one theory, the common root of the Celtic languages, the Proto-Celtic language, arose in the Late Bronze Age Urnfield culture of Central Europe, which flourished from around 1200 BC. The reverse side of a British bronze mirror, with spiral and trumpet motifs typical of La Tène Celtic art in Britain.

Celts - Wikipedia

This article discusses a problem in integrating archaeology and philology. For most of the twentieth century, archaeologists associated the spread of the Celtic languages with the supposed westward spread of the ‘eastern Hallstatt culture’ in the first millennium bc.More recently, some have discarded ‘Celtic from the East’ in favour of ‘Celtic from the West’, according to which ...
