## **Description: The chicken from Minsk**

The Chicken from Minsk provides a selection of these (mainly Russian) problems. They are the result of a collaboration between Yuri Chernyak, a Russian immigrant to the United States who had been an associate professor of physics at Moscow State University, and an American, Robert Rose, professor of material sciences and engineering at MIT.

### **The chicken from Minsk (Book, 1996) [WorldCat.org]**

Recently someone allowed me to borrow  
a book entitled “The Chicken From  
Minsk”. It contains many different  
traditional Russian math and logic  
problems, some of which are very  
irritating. If you solve the problem below  
post a comment on the explanation. For  
those of you who don’t feel like solving  
it, I will post the solution next week.
