The Deepest Human Life An

Scott Samuelson thinks this is tragic, for our lives as well as for philosophy. In The Deepest Human Life he takes philosophy back from the specialists and restores it to its proper place at the center of our humanity, rediscovering it as our most profound effort toward understanding, as a way of life that anyone can live. Exploring the works of some of history's most important thinkers in the context of the everyday struggles of his students, he guides us through the most vexing ...

The Deepest Human Life: An Introduction to Philosophy for ...

The Deepest Human Life: An Introduction to Philosophy for Everyone is my attempt to bring philosophy down from its cloudy theorizing and put it back on the earth where it belongs, among wrestlers and chiropractors, preschool music teachers and undertakers, soldiers and moms, chefs and divorcees—you and me, in fact. It relates the stories and ideas of great philosophers (Socrates, Epicurus, Epictetus, al-Ghazali, Descartes, Kant, and others) to the lives of those struggling to live better.

The Deepest Human Life | Scott Samuelson

The Deepest Human Life: An Introduction to Philosophy for Everyone. Winner of the 2015 Hiett Prize in the Humanities. Sometimes it seems like you need a PhD just to open a book of philosophy. We leave philosophical matters to the philosophers in the same way that we leave science to scientists.

The Deepest Human Life : An Introduction to Philosophy for ...

The Deepest Human Life is an elegantly written, impassioned, and sometimes disjointed plea on behalf of philosophy. Author Scott Samuelson, a philosophy professor at Kirkwood Community College in Iowa City, invokes poets, novelists, and theologians to defend the dialectical process that Socrates imparted, obliquely arguing that no matter who you are or what you are doing, self-examination will enrich your world and nurture "the deepest human life."

The Deepest Human Life: An Introduction to Philosophy for ...

The Deepest Human Life is Everywhere. Plato helps us realize that within each of us the very depths of being human are present – we see that each human life reflects something important about who we are. The difference between regular folks and someone like Kant, pertains to our differing abilities to articulate the shape of a philosophical constellation – it has nothing to do with our inner substance.

Where Can We Find The Deepest Human Life? - Who Knows Anyhow?

It was also meant to serve as a guide toward the establishment of a deep ecology movement. The eight points of the platform for deep ecology posit: "The well-being and flourishing of human and nonhuman life on Earth have value in themselves.... These values are independent of the usefulness of the nonhuman world for human purposes."
