American frontier, in United States history, the advancing border that marked those lands that had been settled by Europeans. It is characterized by the westward movement of European settlers from the original Atlantic coast (17th century) to the Far West (19th century).

American frontier | History, Definition, & Maps | Britannica

The American frontier began when Jamestown, Virginia, was settled by the English in 1607. In the earliest days of European settlement of the Atlantic coast, until about 1680, the frontier was essentially any part of the interior of the continent beyond the fringe of existing settlements along the Atlantic coast.
