Outsourcer definition is - a company that procures some of its goods or services from usually smaller specialized companies.

Outsourcer | Definition of Outsourcer by Merriam-Webster

The idea of outsourcing is not new. It started way back in the 1700s when manufacturers started shifting the manufacture of goods to countries with cheaper labor during the Industrial Revolution, following the precepts of Adam Smith in his book 'The Wealth of Nations'. The history of outsourcing to India is an interesting story.
