The Test is an essential and critically acclaimed book for any parent confounded by our national obsession with standardized testing. It recounts the shocking history and tempestuous politics of testing and borrows strategies from fields as diverse as games, neuroscience, and ancient philosophy to help children cope.

Standardized ...**

Imagine if Kamenetz
and her fellow
progressive Brooklyn
public school parents
did exactly
that—teachers and
parents could have the
hands-on, play-based,
child-centered schools
of their dreams, and
test day would be just
another day at school.
Unless, of course, the

test scores came back
weak. Then Kamenetz
might write another,
more complicated
book. And that's the
one I want to read.
