The Rant Highwayman: Traffic Signs Manual - Chapter 6: Traffic Control. Back in April 2016, the UK's rules of traffic signs changed with the enactment of the Traffic Signs Regulations & General Directions 2016. As with previous iterations of the legislation, it isn't always easy to follow and so we awaited the updates to the Traffic Signs Manual. The Traffic Signs Manual (TSM) is a set of chapters which explain how to interpret the Regulations and guidance for such is provided.

CHAPTER SIX | TRAFFIC SIGNS AND SIGNALS. Traffic signs control traffic flow, making streets and highways safe for drivers, bicyclists and pedestrians. These signs, which are posted by the Indiana Department of Transportation and local governments, use colors, shapes, written messages, and symbols to help drivers quickly understand the information. Understanding these signs is necessary to obtain an Indiana driver's license.
