Walking through the Jungle takes children on a whirlwind tour around the habitats of the world, through the jungle to the ocean, up the mountains to the river and the Arctic. As they walk and swim, climb and trek, slip and run, they encounter a whole host of wild animals that roar and growl or snap and howl before chasing them all the way back home!

Walking through the Jungle is a song story which has been adapted by various authors and illustrators. Kids can imagine they are exploring the jungle while the suspense builds - What will you see? Can you hear a noise?! This is a great book to learn about animals and actions. It has a very catchy refrain running through it so it's a great way for children to acquire some very common language in complete sentences.
