**The Case for
Capitalism | The
Heritage Foundation**

The only way to fix this is to first focus on the moral case for capitalism. In essence, the only “practical” solution is the moral solution to economic problems. In the modern era, Ayn Rand focused on this in such works as *Capitalism: The Unknown Ideal*.

Water Capitalism: The Case For Privatizing Oceans, Rivers, Rivers ...

The purpose of this book is to make the case for privatization of all bodies of water, without exception. In the tragic example of the Soviet Union, the 97% of the land owned by the state accounted for 75% of the crops.

On the 3% of the land
