Wetland Technical Unit - Government of Kerala

The Chief Minister of Kerala is the chief executive of the Indian state of Kerala. In accordance with the Constitution of India, the governor is a state's de jure head, but de facto executive authority rests with the chief minister. Following elections to the Kerala Legislative Assembly, the state's governor usually invites the party (or coalition) with a majority of seats to form the government.

Profile

These characteristics were explored for 81 wetlands in Kerala, which were chosen based on the availability of water quality data from the Kerala State Pollution Control Board. Finally, a statistical analysis lets one infer how visitation is correlated with the variables of interest, including water quality.
